

Spring Workshop Series: Holistic Teaching & Mentoring Evaluation

The campus is in the process of transitioning to holistic teaching and mentoring evaluation. Under this new process, faculty will submit teaching and mentoring portfolios, which will be reviewed based on holistic criteria.

The Holistic Teaching and Mentoring Evaluation Oversight Committee, together with the Teaching and Learning Commons, is offering a Spring 2026 workshop series to support faculty and departments as they implement this process.

For Reviewers

We recommend that each unit send a small team to the reviewer workshop series, including faculty who lead the AP process (e.g., AP Vice Chair) and an AP staff member.

Workshop Dates:

- **Kickoff Workshop (joint session):** April 7, 10:30–12:00
 - **Reviewer Workshop 2:** April 22, 10:00–11:00
 - **Reviewer Workshop 3:** May 7, 1:00–2:00
-

For Candidates (Faculty Under Review in 2026–27)

Faculty who will undergo review in 2026–27 are strongly encouraged to participate in the candidate workshop series.

Workshop Dates:

- **Kickoff Workshop (joint session):** April 7, 10:30–12:00
- **Candidate Workshop 2:** April 28, 2:00–3:00
